

Ref. : 2018/CDGSDCP001

POSITION

Pricing & Commercial Planning Analyst

LOCATION

Currently: CDG, Paris (France) / From Q1 2019 onwards: Paris city center (France)

JOB DESCRIPTION

Within the Strategy & Digital division of the ECS Group, you will be part of the Commercial Planning team, reporting to the Commercial Planning Manager. Your role will be to support the definition and implementation of pricing tools, set the pricing guidelines for the origin markets to sell the right flows at the right price, participate in the airline tenders and steer accordingly the commercial organization in order to meet the budget and maximize the overall margin.

YOUR MISSIONS

- Review and verify the rates per origin country (published, promotional, contract, minimum, interline rates)
- Analyze the market trend and monitor the performance of our offices at different levels (region/country/origin/destination/product) and propose pricing action plans
- Define & implement the pricing tools, follow-up on the process implementation and day-to-day activity
- Perform market data analysis to support our business proposal for airlines RFQ (Request for Quotations) and coordinate our input along with the corresponding country managers

YOUR SKILLS

- **Qualification:** Master's degree or equivalent (Engineering school preferred)
- **Experience:** no prior job-related work experience required
- **Competences:** strong analytical and computer skills (Excel, PowerPoint, Word), good communication skills, hands-on attitude, curiosity and teamwork
- **Language:** fluent in French and English (other languages can be an additional advantage)
- **Must be entitled to work legally in France**

ABOUT ECS GROUP
