

Cookies are files that are sent by web servers to web browsers, and which may then be back to the server each time the browser requested a page from the server.

Cookies can be used by web servers to identify users returning to the Website.

Cookies may be either persistent cookies or session cookies.

The Website uses cookies or other technologies able to collect or process your personal data.

To see the list of cookies used and their purpose, [click here](#).

Cookies are enabled by default and can be kept on User' computer.

Banner of consent allows you to connect to the Website during the first connection.

By continuing using the Website, you expressly intend ECS and its partners to use such cookies.

You can set your browser at any time to control all cookies.

You can set your preferences [here](#).
